TRANSCRIPT 0.1s

Doctor: Good morning Mrs. Sharma. How are your sugar levels? Patient: Good morning doctor. My fasting sugar was 110 today. Doctor: That is excellent. Are you taking the Metformin 500mg regularly? Patient: Yes, twice a day after meals as you told me. Doctor: Let's continue the same dosage. I want to see you again in 3 months with a fresh HbA1c report.
